**SUPPLEMENT TO MEMORANDUM RECOMMENDATION AND REPORT OF  
SPECIAL MASTER REGARDING SPECIAL DEPUTY RECEIVER'S MOTIONS TO  
ENFORCE PERMANENT INJUNCTION AGAINST BRIGHT HEALTH MANAGEMENT,  
INC. AND TO STRIKE THE TESTIMONY OF ANGELA O'NEAL AND BRIGHT  
HEALTH MANAGEMENT'S CROSS-MOTION FOR ENTRY OF ORDER GOVERNING  
ELECTRONICALLY STORED INFORMATION**

On December 17, 2024, the Special Master entered his *Memorandum Recommendation and Report of Special Master regarding Special Deputy Receiver's Motions to Enforce Permanent Injunction Against Bright Health Management, Inc. and to Strike the Testimony of Angela O'Neal and Bright Health Management's Cross-Motion for Entry of Order Governing Electronically Stored Information* ("Recommendation").

The Special Master **FINDS** that, due to an inadvertent error, the parties were not provided with, and did not receive, notice of the Recommendation until January 22, 2025. Accordingly, the Special Master **FINDS** that Paragraph IX of the Recommendation, entitled **Procedural Process and Timetable Regarding this Memorandum Recommendation and Report**, must be amended to provide meaningful opportunity to the parties to pursue any objection they may have to the Recommendation, and/or to provide an Agreed Order embodying the ruling to the Court. Accordingly, for clarity of deadlines under the Recommendation and the Order of Reference, the Special Master further **FINDS** that it is necessary to amend Paragraph IX of the Recommendation to read as follows:

**IX. Procedural Process and Timetable Regarding this Memorandum Recommendation and Report**

The parties will file any objections to this Memorandum Recommendation and Report within fourteen (14) days of the submission of this *Supplement to Memorandum Recommendation and Report of Special Master regarding Special Deputy Receiver's Motions to Enforce Permanent Injunction Against Bright Health Management, Inc. and to Strike the Testimony of Angela O'Neal and Bright Health Management's Cross-Motion for Entry of Order Governing Electronically Stored Information*. If no objections are filed, then counsel for both parties will work to prepare an Agreed order as to form consistent with the Amended Memorandum Recommendation and Report and submit it to the Special Master in word within twenty-one (21) days from the date of the entry of the Amended Memorandum Recommendation and Report.

SIGNED this 27<sup>th</sup> day of January, 2025

Special Master, Hon. Tom Collins
